USGA rules will govern all play.**

**Notes:**

1. 100% of the player handicaps will be used. Strokes (including ½ strokes) given off of the low player in each group.
2. **Play the ball down unless instructed differently by the Pro's!**
3. Play will be from the *Blue Tees*. Individuals with a combined handicap index and age of 70 and higher may play the White Tees with a 2 stroke deduction from their *White Tee* handicap. Individuals with a combined handicap index and age of 85 and higher may play the Orange Tee with a 4 stroke deduction from their *Orange Tee* handicap.
4. We ask you keep pace with the group ahead of you.
5. Rain out – In the event a match or matches are rained out, your team's most recent completed nine-hole match will be used in a scorecard playoff to determine the outcome of an un-played match. Partial matches rained out will be completed in the same manner. Your team's most recently completed 9-Hole match scores (on the same 9 holes) will be used to fill the un-played holes.
6. In a case that a team would have to withdraw, all matches (completed and incomplete) will be discounted and all opposing teams will receive an equal amount of 6 points for the forfeited match.
7. Phoenix Flight – All teams after day 1 that are 6 or more points away from the lead in their flight will have a chance on day 2 to enter the shootout by having the most points on day from all flights combined. A putt off will break a tie.

*Shootout Rules*

**Number of Teams:** 8 Total (6 Flight Winners + 1 Wild Card Team and Phoenix Flight day 2 Winner)

**Flight Winner Ties:** Settled by head to head score and if tied, a 3 hole putt off set up by the pro staff.

**Sequence:** #18, #7, #8, #9.....

**Handicap:** Each team will receive (60% of low player handicap & 40% of high player handicap).

Handicaps will be combined and strokes will be allotted based on the scorecard handicap hole number.

**Format:** Cumulative Alternate Shot – 1<sup>st</sup> hole, the low 4 teams and ties will move on. 2<sup>nd</sup> hole, the 3 low cumulative score teams and ties will move on. The 3<sup>rd</sup> hole is cumulative sudden death.

- Putting Shootout will be the low 5 scores for the two days. 100% cash payout to the team shootout winner before the flight winner shootout.

“Most Likely Score”

A “Most Likely Score” is the score a player must post for handicap purposes if a hole is started but not completed or if the player is conceded a stroke. The most likely score consists of the number of strokes already taken plus, in the player's best judgement, the number of strokes the player would take to complete the hole from that position more than half the time. This number may not exceed the player's Equitable Stroke Control/limit.
